## 20 Years of True Blue

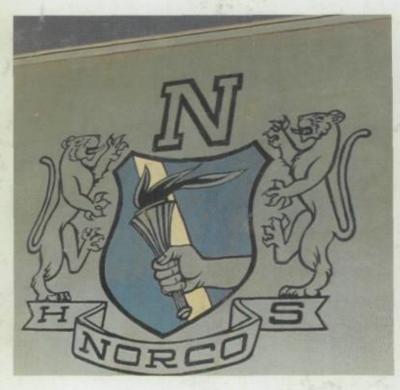

Catch the Spirit . . .

THE SPECTRUM
NORCO SENIOR HIGH
NORCO, CALIFORNIA
VOLUME 20-1987

1987 marks the twentieth anniversary year since Norco Senior High began. Some current Norco teachers remember being the first to teach at the new school which had branched off from Corona Senior High. The first year, the school only enrolled freshmen, sophomores, and juniors. The graduating seniors continued at Corona. The following year, Norco graduated its first senior class. While work was in progress, students shared classrooms at Norco junior High on a split schedule. Phil Donahue was the principal then, over a much smaller campus. Classes were held in the B wing. Then later, many of the comforts we now have were added. In these twenty years, Norco has matured and gained a reputation as a fine school, both academically and in extra-curricular activities. Staff and students who come here to educate and to be educated, acquire the legendary Norco Blue Pride. They then pass this on to incoming students and staff. The 1987 yearbook class has decided on a theme for 1987 to reflect that pride and striving for excellence in all we do. Norco Senior High; we salute your twenty years of True-Blue pride - catch the spirit!

### **ADMINISTRATION**

Norco Senior High has a new administrator this year, principal Mrs. Maggie Little, who came here from her previous position as the principal of Raney Jr. High. Since we are in an accreditation year, Mrs. Little's schedule has been quite full. However, she is blessed with an excellent staff of vice-principals and secretarial help to assist her; Mr. Bob Brew, Ms. Karen Pylman, and Mr. David DiPaolo. Our previous principal, Mr. David Long, and vice-principal Mr. Lenny Elkins, had both accepted other district positions. Mrs. Little is making every effort to maintain the high Norco standards we have come to expect, and we wish her well.

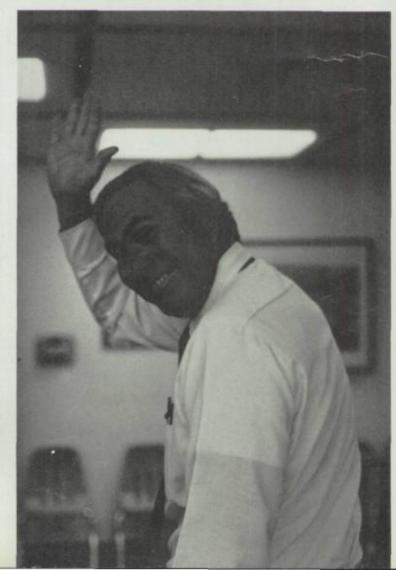

Top right: Karen Pylman gives us that great smile; center left: Mrs. Little relaxing between duties; center right: vice-principals Bob Brew, Karen Pylman, and Dave DiPaolo; bottom left: "You're kidding, right?"; bottom right: "Hi! Welcome to the neighborhood."

### **SECRETARIES**

Some dedicated, but unsung employees of our school work in our administration office. These are the school secretaries, clerk typists, attendance clerks, receptionist, registrar, and nurse. Their cheerful presence is often the first impression that visitors to our office receive; and their consistently helpful friendly attitude generates praise and goodwill from members of our community. We do appreciate these charming ladies for all their efforts to "make our day" . . . more pleasant.

### **GUIDANCE**

The guidance department has developed a comprehensive program which focuses attention on the personal, social, career, and academic needs of Norco High students. The department administers career assessment inventories, disseminates vocational and occupational information, and incorporates the use of the career center facilities and information in student schedules.

Top left: "Whaat?"; top right: "These snack activities get more bizarre every year!"; bottom left: Mrs. Virginia Green distributes class schedules for next semester; bottom right: counseling staff members, Neil Lillibridge, Donna Monty, and Terry Brown. Not pictured, Virginia Green.

### CUSTODIAN/KITCHEN

Two groups on the Norco High campus without whom we would not be able to function are the custodial staff, and the cafeteria staff. The custodians tidy up all the classrooms immediately after school, vacuuming and straightening rows. They also maintain all the grounds, and parking lots, besides acting as monitors during lunch and before and after school. At other times, they are busy repairing various school properties such as the desks and tables.

The food preparation falls to the cafeteria staff, managed by Yvonne Cheaney and her aides. They prepare and sell snacks and lunches, as well as assisting in any other function where food will be served. Our students and staff can always count on a hot lunch served quickly and courteously by these unsung people.

### **ENGLISH**

"Language is the light of the mind." -John Stuart Mill . . . and our English department struggles faithfully to make that light shine brighter for each student of NHS through literature, writing, and study of how the language works. English teachers attended in-services, workshops, and conventions in an effort to pass on information ranging from the multiple meanings in Shakespeare's plays to the mechanics of basic grammar. "They persevere because each knows that . . . In today walks tomorrow." - Samuel Taylor Coleridge.

### SOCIAL STUDIES

The Social Studies department of Norco High endeavors to inform students about past happenings of world events and their relationship to events today. The classes also cover the study of the world political systems, and in particular, the government and economics of our own country. These social studies prepare our students to intelligently take their place as responsible citizens in the adult world.

### **MATHEMATICS**

The math department at Norco Senior High has a wide variety of classes from basic math through algebra to calculus. Thanks to our superior and excellent mathematics teachers, each student learns to be competent in the field of math. Our math students have also competed successfully in the annual Academic Decathlon competitions.

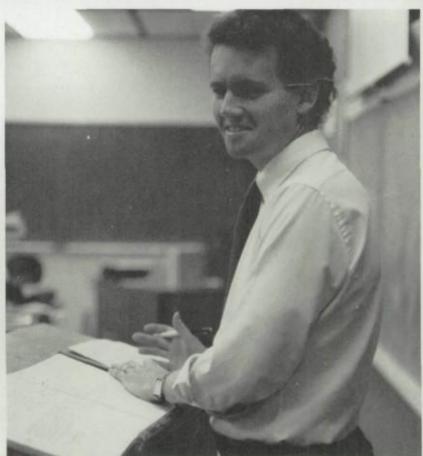

Top right: Mr. McCollum shows us his debonair look; center left: "Mine . . . all mine,"; center: "Oh, give it up!"; bottom left: "If you don't be quiet, you'll be doing some downups."; bottom right: new teacher, Mr. Joel Titterud says, "What? You want to take my picture? Aw, c'mon."

### SCIENCE

The Norco Science department includes both the physical and biological sciences. The studies include physics, chemistry, biology, anatomy, and physiology. Problem-solving approaches are used to help students prepare for entry into the new worlds of computers and astro-physics, particularly as applied to the newer fields such as space exploration and medicine. Students are also involved in creating projects for the annual science fair.

### SPECIAL ED

The special education department assists students with special needs to reach their greatest potential. Each student's course of study is designed to reflect their individual education program. A major emphasis of the department is to help prepare the student for successful employment after graduation.

Top - the special education staff: front row, l-r; Debbie Robertson, Billie Quinette, Lydia Uribe; back row: Bonny Adams, Marilyn Totten, Bill Moga, Jo Ann McQuillen, Marline McFarlane, Lindy Burke. #### FOREIGN LANGUAGE

With our world shrinking by the day, it is imperative that we make every effort to communicate with people of other lands and languages. Norco High's foreign language department currently offers French and Spanish classes as electives. Several of our foreign language teachers have resided in a foreign country for a length of time to polish up their language skills, which they now pass on to their students.

#### BUSINESS/WORK EXPERIENCE

The Norco High business department strives to prepare their students for the world of work through offering courses that stress job skills needed for entry-level positions as well as fostering a correct attitude for working in a business office. To meet the demands of the high-tech office, computers have been added to the curriculum of the course. The department also sponsors a Future Business Leaders of America chapter to give students experience in management and leadership, as well as the opportunity to compete with other students from the local area and the state of California.

You have it."

#### LIBRARY/CAREER

Our school library is the busy hub of many school activities. Librarian, Mrs. Nancy Callaci, and her assistant, Mrs. Donna Troxel, manage not only all the usual library services, but also maintain the growing AV department, servicing the entire school with VCR's, projectors, tape players, and other AV equipment. Within the library suite are the textbook room, a work-experience office, and a computer-zerox center. Our library is not a cold austere place, but a warm and interesting area, conducive to learning.

The Norco High Career Center is held up to other schools as a model, encompassing all the latest technology and equipment for career assistance. Run by career center technician, Mrs. Joan Hall, the center offers relevant up-to-date information on careers, military opportunities, colleges, graduate and professional schools, and available financial aid programs. Free computer printouts of this information is also available to assist the counselors in helping students compile useful career plans.

#### HOME ECONOMICS

Home economics is more than a piece of cake. The classes consist of sewing, interiors, clothing, budgeting, child care, foods and nutrition, and survival. One class, "On Your Own", helps students learn the problems of married life or bachelor living, and of caring for children. The class creates a mock wedding, complete with preparations, the ceremony, and reception. The students also experience the responsibilities of parenting, as they care for, nurture, and protect their new-born "babies" (actually fresh eggs).

#### BAND/CHOIR

The Norco High band and choir elective classes are popular with every segment of our student body. Everyone loves music, it seems; and our music classes fulfill that need for expression. Mr. Benny Newton teaches the band classes, and Mrs. Janet Parks the choir. Students in these classes also receive the benefit of semi-professional exposure, as the groups are often asked to participate in parades and concerts or other programs at churches and schools.

#### IND ART

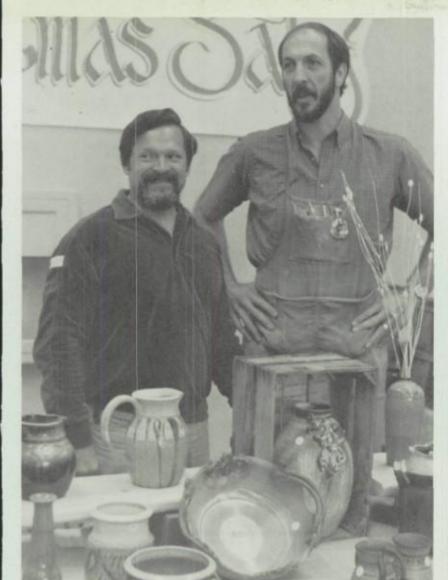

Industrial Arts classes prepare students to move from high school directly into the job market with a variety of usable skills. Industrial Arts classes taught at NHS include wood and auto shops, besides photo, graphic arts, and drafting.

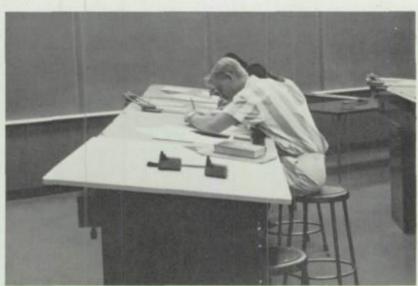

Top left; Richsan Sanborn sets up her printing. Top right; Jim Wiley staining his masterpiece. Center left; "FEED ME, Darryl!" Center right; Paul just loves getting down and dirty. Lower right: L-R, Glen Stevenson (Drafting), Ron Little (Printing/Photo), Gene Luft (Auto), Jerry Saba (Wood/Photo).

#### FINE ARTS

The Fine Arts department covers drawing, painting, crafts, ceramics, drafting, mechanical drawing class, printing, silk screening, and photo. NHS is fortunate in having such excellent and dedicated art teachers to prepare our students for careers in the broad art fields.

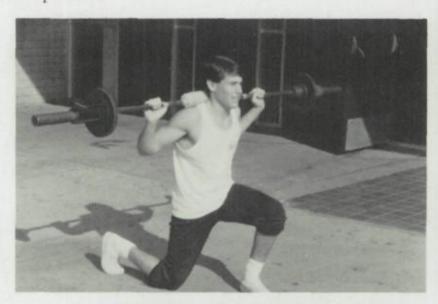

Upper left: Mr. Hal Swegheimer and Mr. Jerry Smith wait for customers at the Christmas art sale; upper right: Students work carefully at their drafting tables; lower left: Mr. Smith guides a ceramic student in the art of raising a clay cylinder; center right: "Wow, you're good! That's neat."; lower right: "Gotcha!"

#### PHYSICAL EDUCATION

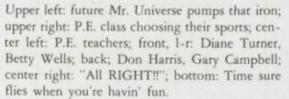

Norco's physical education program has grown over the years from just offering basic sports and simple exercises, to include all the new body-conditioning activities such as weight-lifting and body building, through power-lifting, plus body fitness aerobics, and weight control programs. Students are also encouraged to grow in social awareness through participation in the various sports offered, where they develop a sense of responsibility for proper attire, punctuality, cleanliness, team effort, and cooperation.

#### READING/DRIVERS ED.

The reading department encourages reading for enjoyment and improving reading ability. Classwork stresses increasing comprehension, vocabulary, and reading rate, but also includes reading self-selected novels. Reading enhances one's perception of life's experiences. Drivers Ed prepares students to pass the state's requirements for a license, and involves not only classwork, but actual practice for that coveted official California driver's license.

Top left: Mrs. Janssen prepares another reading assignment; top right: boys soccer coach Mr. Landgraf says, "... reading or soccer? #### **AGRICULTURE**

The agriculture classes at Norco High cover a wide variety of subjects from simply identifying plants, through horticulture and floriculture to sales experience; to say nothing of learning the building trades by actually constructing farm buildings. Our students are taught to pour cement, lay brick or cement block, construct wooden buildings, weld, lay pipe, and prune trees. Ron Payne, our Ag teacher, has set up a model agriculture curriculum; and for Norco students, it is here for the asking, a giant step forward toward a career in agriculture. Mr. Payne is assisted by Mr. Doug Pollock, our ROP teacher.

#### MR. DAVID LONG, PRINCIPAL NORCO HIGH SCHOOL-1976-86

Mr. David Long served as vice principal and then principal at several junior and senior highs before settling in as principal at Norco Senior High from 1976 - 1986. Dave was responsible in great part for the campus beautification program in which formerly barren ground became lush and green with flowers, shrubs, and trees. He also encouraged students, parents, and teachers to participate actively in their school. During his tenure here at N.H.S., the school has improved, both in appearance and academically. The anniversary issue of the Norco Senior High yearbook, The Spectrum is dedicated to Mr. David Long, Esquire.

#### COMING

HOME

#### ALOHA DAY

Homecoming week began with Aloha Day, the chosen theme for this year's festivities. Every kind of aloha shirt, muumuu, and sarong appeared on the brightly-arrayed merrymakers. The hungry ones hurried to snack for the Build-a-Fruit-Salad relay. Then our "Birds-of-Paradise" gathered at lunch to enjoy the funnelators. Following the previous week's Aloha dance, our Norco students were in the mood for anything Hawaiian the rest of the week.

Top left: J and J having a good time! Top right: Melanie leis the robot! Left center: Laura and Jeff, A sweet Hawaiian couple; Center: Who's that mysterious funnelator?; Right center: Greg, let's eat; Lower right: Aloha ladies!

#### TOGA DAY

No sooner had the Hawaiians left, than the Romans arrived with their togas in tow. Some people had carefully arranged artfully-draped togas, pinned strategically here and there. Others, like Glenn Walsh, seemingly grabbed a top sheet as they got up in the morning, and tossed it around and over a shoulder for an "instant toga". The Plebians enjoyed watching the nobles disporting themselves at the grape-stuffing; but, many joined in the lunchtime chariot race as team after team swept around the concourse urged on by encouraging cries from their friends . . . Romans . . . countrymen . . .

Ya know your mouth is bigger than that!!; lower left: Watch out for those grass burns!

#### NERD DAY

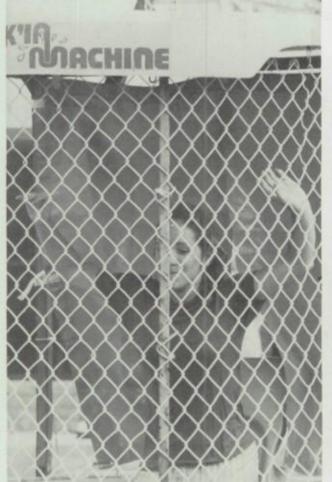

Wouldn't you know it? From the sublimity of classic Rome to the absurdity of the Nerds who next took over the scene. They were EVERYwhere, with their nerdy little pens and pencils tucked into a plastic pocket and their nerdy little clothes. Unfortunately, a number of those of the male persuasion were most careless about zippin-up. I mean, ties in the flies? C'mon! But they all seemed to be willing to try the Izzy-dizzy at snack; then found each other and gradually assimilated into large amoeba-like masses for the lunch-time amoeba race. They actually seemed to enjoy being in extremely close proximity to each other. (yay - rah). Nerds are so-o-o... well, NERDY!

Top left: We are the nerds ...; Top right: Can I be in on this one?; Left center: Jeff Montgomery- dressed to impress; center: Izzy Dizzy will get you every time; Right center: Rod and Diane. Do I know this guy?; Bottom: The Senior amoeba.

#### TOURIST DAY

After the attack of the Nerd people, most students had no trouble accepting the tourists who thronged the campus on Thursday. They were SO enthusiastic, wanting to run here and there to "see and do" everything. Didja ever notice what tourists do with all those cameras? They get other people to take pictures of themselves in an amazing variety of poses and situations. They probably plan to amuse (or bore) their family and friends back home with hundreds of shots of their own face grinning fixedly into the camera, posed in front of exciting places, like . . . McDonalds? Bon Voyage!

Top left: Tim says, "Catch this!"; top center: Kim Scott pleads, "Not again!"; top right: I thought this was Disneyland . . .; left center: Jennifer says, "Oh, come on, what have I ever done to you?"; center: "It's us, mom."; right center: That's show biz, bottom left: junior and sophomore dog pile.

Halloween dress-up day brought out the usual variety of costumes with witches, devils, supermen and women, and animals; however, this year some students outdid themselves in creativity. Below are some quite inventive creations.

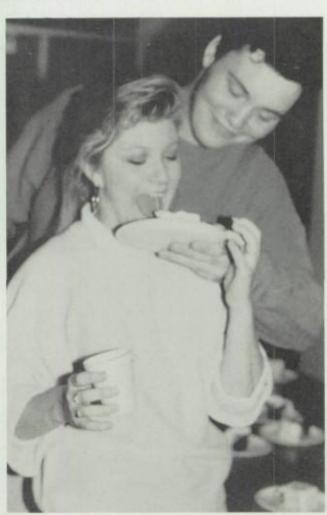

## PANCE IN TOPING

#### BLUE AND WHITE

On November 14, our football season ended with our loss to North High. However, the planned blue and white dance went on in the gym anyway, from 10:00 to 12:00, to the music of "Cookin' Jose, the Rad D.J." Students rallied to support the football players who turned out for the dance, and got into a party mood in a short while. Some even got down into a little break-dancing. The ASB provided complimentary punch, and a blue and white cake. By the end of the evening, spirits were revived, and we left, promising ourselves a great football season next year.

Top left: the ASB banner announcing the coming dance; upper left: "Gimme a low five, Isaac!"; upper right: "May I be of assistance, Joyce?"; center left: "Forget the calories - This is free!"; center right: students getting into the funky music; lower left: "Yeah, Tina - he's in there." says Jill.

#### **OLYMPICS**

## TURKEY

November 18-21 brought about the annual Turkey Olympics. Clubs and teachers were encouraged to participate, and many did, with clubs ranging from Girls Basketball to the cheerleaders. The star events were emulated with straws, tortillas, pom poms and mailing tubes. Congratulations to the winning club, yearbook, who won a pizza party for all of their encouraging efforts. See you in Seoul in '88, you TUR-KEYS!!

### OUR SANTA'S VILLAGE...

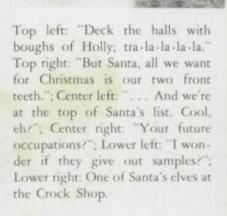

In 1986, the annual Christmas Room Decorating was transformed into a new contest. It was known as Norco High's Santa's Village. Classes and clubs participated in building a church, candy shop, and Mr. Smith's winning Crock Shop. It looks like the beginning of a new tradition at NHS!!

# SPIRIT

#### SWEATS DAY

Spring spirit week began on Monday with Sweats Day. The ASB toilet-papered the campus in blue and white to spark the spirit for the week ahead. At snack, we ran the obstacle course, and at lunch, the classes competed in the pyramid building contest.

Upper right: Our painted library windows advertised the Spring Spirit Week days; center left: Michelle Perez runs the obstacle course for the sophomores; center: Leonard Paltza flies over the table for the seniors in the obstacle course race; center right: sophomores trying to get it together with spirit in the class pyramid building; lower left: the winnahs, with the highest pyramid . . . the Seniors!!!, lower right: Norco's SPIRIT still hangin' around.

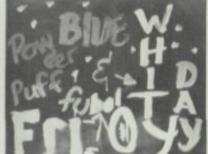

On Tuesday of Spirit Week, our student body dressed their best as punkers. Wearing their combat boots, torn shirts, ratted hair, and black lipstick, they paraded on the quad stage for the best-dressed contest at snack. At lunch, students staggered through the Izzy-dizzy contest to finish out the day.

Upper left: Mrs. Campbell says, "It looks like a football to me."; center left: contestants in the best-dressed punker contest line up for judging; center right: Bobby, Tim, Ali, and Kelly, the best-dressed punkers; lower left: Whoops! There she goes!; lower right: This is one dizzy punker!

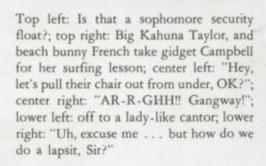

#### BEACH BUM DAY

On Wednesday, all the beach bums washed up on the NHS campus, dragging their surfboards, boogie boards, and beach bags to help out on spirit. At snack, they raced through the piggyback relay; then exhausted by lunchtime, they collapsed into the lapsit activity, won as usual by the seniors, experts on sitting.

#### 50'S DAY

Thursday's 50's day took us back in time, as poodle skirts, saddle shoes, and slicked-back hair were seen all around NHS. The day began with the whipped-cream activity at snack, and ended with the rootbeer chug-a-lug at lunch. Too cool!

#### BLUE & WHITE DAY

Blue and White day dawned hot and sunny, but at snack the potato-sack racers hopped on. Immediately following the race, the entire school hurried out to Cougar stadium for the sports event of the year, "Da Futbol" powderpuff football game, between the senior girls team and the sophomore and junior girls. Coaches Kruswicki, Miltersen, and Gonzo encouraged the senior girls in their battle against the challenging Jr./soph. team under the supervision of Coaches Taylor, Felmley, Legere, Mulholland, and Perez. The home stands were packed with excited seniors chanting, "We've got spirit, yes, we do . . . " to the sophs and Jrs. in the away stands. The underclass team came out on top with two touchdown runs by Stephanie Cooter. Sr. Marlys White had one interception T.D. The game was an exciting one, yet everyone agreed that the highlight was the wacky and zany antics of the male cheerleaders, decked out in cheerleader skirts and stuffed sweaters. The crowd went wild at their every move. So, when's the rematch?

#### 1987 MR. VALENTINE

The annual Mr. Valentine contest went with a smaller field than usual this year. Candidates campaigned at a-penney-a-vote, with a new restriction of no silver or paper money. The candidates were honored at the half-time of the Powder-Puff football game on the last day of Spring Spirit Week. Co-winner kings were Bill Hemphill and Sean Bafford, while runners-up were Chris Curtin, Corey Grier, and Doug Blair.

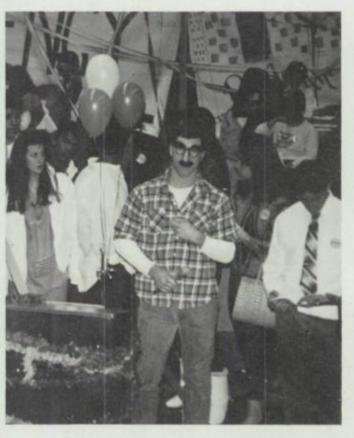

The theme of our 1987 nominating convention was "Occupational Convention '87". Each third period room representative was placed in an advisory group dressed as various occupations, ranging from doctors, lawyers, to ranchhands and sanitation engineers. The sergeants-at-arms were dressed in military camouflage fatigues. They helped Queen, Kim Scott, in keeping order by settling down the advisory groups during caucuses. Some highlights of the convention included Melanie Cartwright and Diane Gonsalves chanting their "loser" cheer for the crowd, and King Bobby Mauger doing his clever impersonation of Howie Mandell. The convention was fun and crazy, but its purpose was fulfilled - the ballot for each ASB office was narrowed down to two each. Another successful convention . . . '87!!

#### SPEECH CONTEST

LIONS CLUB

Three Norco students, coached by school librarian, Mrs. Nancy Callaci, entered the annual Lions Club speech contest again this year. Competing on February 26 at the Norco Lions Club building were seniors Doug Collins, Annette Weldon, and Kate Johnson. After a hearty dinner prepared by the Norco Lionesses, the contestants each spoke on the topic of "Drug Abuse - What is the Solution?" Following the speeches, the judges named Kate Johnson the winner. The Lions Club sponsors the annual contest to encourage young people in public speaking and to be involved in current issues.

NHS Academic Decathlon coach Ms. Leean Bitterolf, again took a Norco High team to the annual decathlon competition, held this year on the UCR campus on Saturday, November 15. The team competed against fifteen other southland schools in ten academic areas covering essay writing, English, History, math, economics, fine arts, music, science, speech, super quiz, and an interview. Despite being one member short again this year, the Norco team came home with two silver medals and one bronze medal. George Hepker won a silver in science and a bronze in math, and Mark Colucci won a silver in the social sciences. After a full day of brain draining effort, the team, together with Ms. Bitterolf, Mr. Jim Reid and Mrs. M. Campbell; joined Norco High principal Mrs. Maggie Little for the awards banquet. Congratulations, team. We are proud of you! Team members were: Varsity: George Hepker, Doug Collins; Scholastic: Marc Colucci, Hoang Dinh; Honors: Robert Lewis, Kate Johnson.

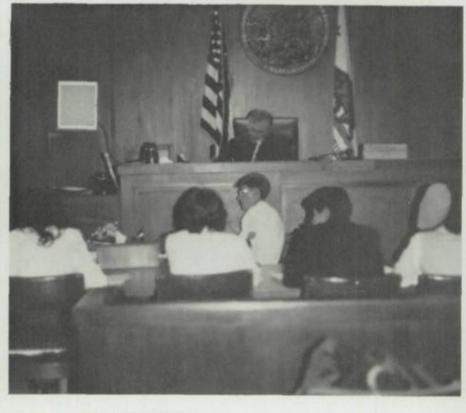

### MOCK TRIAL

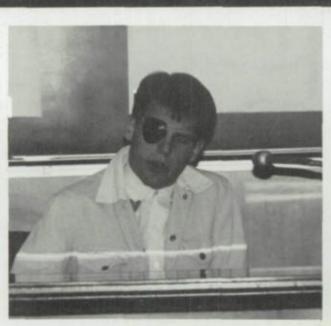

The annual Riverside County Mock Trial competition was held on Saturday, January 31 at the Riverside County Superior courthouse. Since 1987 marks the first year of the bicentennial celebration of the U.S. constitution, this year's case was taken from an actual historical event involving a shooting over a gold land claim in the 1850's. Norco Senior High competed in a field of ten schools, and made a good showing in the competition. Coaches were Norco social studies teachers Jim Reed, Ben Gonzalez, and Reiny Klein, assisted by attorney-coach Mr. Frank S. Peasley.

The annual Science Fair was held in the school library February 25 and 26. The projects displayed included experiments prepared by students from the various science disciplines. The projects were presented visually using posterboard standup displays. A few hand "hands-on" devices, which could be manipulated by visitors. Science department chairman, Mr. Ken Peyton, and Mr. Dale Malicay sponsored the fair.

**ORGANIZATIONS** 

Campus clubs are the glue that holds the student body together. Joining with other students in a common interest, not only fulfills one's desire to engage in a favorite activity, but also affords the opportunity to meet new friends who share that interest. Norco High has a club for nearly every interest from sports, through academic subjects to social and service organizations. Students who join campus clubs find their horizons broadened and their lives enriched through our NHS clubs.

The Associated Student Body is an organization designed to create and promote student activities on campus. The ASB runs various activities such as Homecoming, Toys For Tots, snack and lunch activities, and Spirit Week, ASB also serves as an inter-club link for other clubs on campus, such as the House of Representatives, Senate Committee, and other clubs. ASB functions as an important part of the student-administration relationship. We at NHS are fortunate in having a dedicated and enthusiastic ASB.

Class officers are elected by votes of the student body. The candidates campaign for a week, then go through the nominating convention, and finally are voted into office for a one-year term. They are to represent their class to the ASB, and give input which will be helpful in the planning for activities. These officers are a vital link to all the happenings at NHS.

The House of Representatives is made up of two students from each third period class. A representative and alternate are selected from each class to represent their class for school activity planning. The purpose of the club is to allow all students on campus have a voice in school policies, activities, and improvements. Items of concern are brought up, debated, and voted on at the monthly meetings. The ASB then takes these items under consideration and resolution. After having made a decision on the matters, the ASB, as the liason between the students and the administration, presents the will of the students to the administration for action.

The Inter-Club Council, or ICC, is made up of presidents of each of the clubs on campus. At their meetings, the club presidents are told of planned activities and fund raisers. The activities are discussed and plans are made for club participation and cooperation. The presidents then relay the information to their club members. This is just one more way that NHS makes special efforts to combine the many facets and talents of our students to show Cougar pride.

The Senate committee is made up of students who volunteer their time to assist in promoting and improving activities on campus. They work closely with the other ASB groups as a liason and advisory assistant on any matters of importance to all.

The California Scholastic Federation, or CSF is comprised of students who have maintained a 3.5 GPA regardless of grade level. Sponsors are Mr. Bart Price, Mr. Bob Tengen, and Mrs. Lois Mulvihill. The membership this year is almost 100 members. CSF members receive the benefits of UCR library privileges and automatic partial scholarships at over 42 colleges and universities. Service activities this year included tutoring and a teacher recognition day. Fun activities involved members attending CSF Disneyland Night, and CSF Southern Section Conference at Oceanview High School.

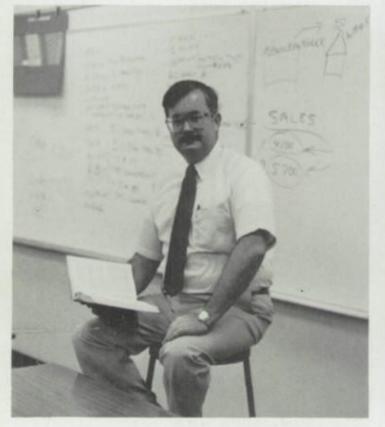

The Forensics Society, a new club on the Norco campus, is a speech and debate club. The members involve themselves in various speech contests and activities, among which are the annual Lions Club speech contest, the Academic Decathlon, and the Mock TrisTrials. The purpose of the club is to aid the members to become more fluent public speakers. Sponsor for the club is Ms. Leean Bitterolf.

The Norco High chapter of Future Business Leaders of America (FBLA) is part of an international organization for students whose interests lie in the business world. Students have opportunities to compete with students from Southern California, as well as the state of California in such activities as accounting, Data processing, business law, office procedures, typing, shorthand, etc. The chapter is sponsored by Lance Larsen and Sheri Hane with assistance from Rop teacher, Nyoni Jarzabek. Officers for 1986-7 are: Pres.- Richard Espinoza, V.Pres.- Mike McClure, Sec. - April Smith, Parl. - Samantha Wright, Report. - David G. Williams, Treas. - Frank Proctor, and Hist. - Sara Hernandez.

The Future Farmers of America (F.F.A.) is an organization for students who have an interest in some aspect of agriculture. The members are enrolled in vocational agriculture classes on campus, where they learn about such things as Ag. mechanics, ornamental horticulture, and animal science. Led by Ag. teacher Ron Payne, Norco's FFA chapter gives the students a chance to learn by doing, gaining onthe-job experience that will help in their future employment. The purpose of FFA is summed up in its motto: "Learning to do; doing to learn; learning to live; and living to serve."

Flags struttin' their stuff!

See no evil, hear no evil, speak no evil, have no fun.

'86-87 flag captain, Tammy Greenaway at attention.

The Flag girls this year have brought a committment to the activities of the Norco Senior High's Blue Diamond Brigade. Under the training of Mrs. Benny Newton, the flag squad's routines have brightened our football games and parades with their precision drills and their lovely smiles. We will never forget their charming Can-can number at the homecoming half-time show. The Norco Blue Diamond Brigade has had spirit and pride throughout the year. Not only do they perform at NHS football and basketball games, they also perform at various concerts in Southern California. The Brigade also performs assembly programs at NHS and at the local elementary and Junior high schools. We at NHS are proud and fortunate to have such an outstanding Band. The band is led by Mr. Ben Newton.

The Norco choir has expanded this year to three different groups; the concert choir, the New Generation pop choir, and a new group called the Time Machine. Each choir has a different emphasis, and they entertain with all types of music to suit every taste. The choirs are directed by Mrs. Janet Parks, and are open to anyone who loves to sing. The choirs joined in a Christmas presentation featuring each of the groups separately, and then in combination to entertain the audience.

The choir performed also at the annual Christmas festival concert at school, and joined in singing out on the quad with grade school children in front of our Santa's village during school hours for the enjoyment of the entire school. We appreciate their efforts and time given to bring us the joy of music.

## THEATRE COMPANY

### **THESPIANS**

The NHS drama department encompasses not only the drama and stagecraft classes, but also a full-fledged theatre company; and as of last year, a registered Thespian Society. Norco drama students enjoy these activities, and become totally involved in the production of several plays each year. Their offerings range from comedy to serious drama, and even an occasional variety show. The fall production this year was the drama Alone Together, a story of a middle-aged couple whose children have left home, but are now returning to the parental home. Teacher and drama coach, Ms. Laurel Goodhue sponsors both groups and is a continuing inspiration to her students and the NHS staff

The Girls League is a service organization, dedicated to helping our school and community. The league sponsors three projects each year. The annual Thanksgiving food drive is probably the biggest one. The canned goods collected is distributed through local churches to needy families. At Christmas, another project is the sales of Christmas candygrams, and the last project of the year is the sale of Valentine carnations. With this project goes the Mr. Valentine contest in which each campus club selects a candidate for Mr. Valentine. Voting is a penny a vote, and the money collected goes to the Pepperment Ridge home for the mentally disabled.

Norco High's Spirit Club carried on the NHS tradition of Blue Cougar pride through 1986-87. At the football games, the three "wild men" of the Spirit Club, Bobby Mauger, Sean Bafford, and David Hinson showed up at each game in their painted blue and white faces, wearing their "cheerleader"skirts over white sweats with "GO NORCO!" stenciled on their rears. Using their megaphones, they urged the crowd to yell for victory, directed "The Wave" several times, and occasionally startled the rooters by flapping the infamous "RAH!" toilet seat. Way to go, SPIR-IT!"

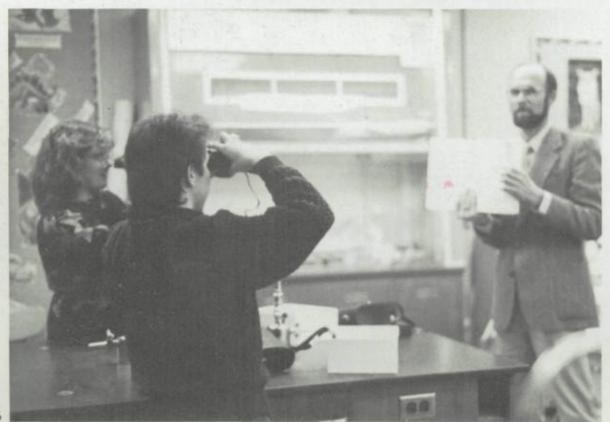

The purpose of the Science Club is to encourage interest in exploring the scientific method of research. Students enter their science projects in the county competition to bring more honor to our school. Mr. Peyton, Mr. Malicay, Mr. Pomeroy, and Mrs. Morgenstern all encourage their students to push their minds and imaginations to the far reaches of science in their projects.

The Norco High Runners Club, sponsored by Coach Ben Gonzalez, is made up of any students interested in running, whether it is cross-country, track, or simply jogging. The club has fund-raisers such as a pizza night, or other activities to raise money for additional track equipment. Many of our NHS cross-country and track athletes are also members of the club.

Top left: Norco runners and friend; center left: runners club sponsor, Coach Ben Gonzalez; center right: "Well, it's been fun talking to you, but we gotta run now."; bottom left: "If I hurry, I can catch my favorite Soap on the TV."; bottom right: "Do you guys have a quick cure for a sprung back?"

This year's spectrum theme Twenty Years of True Blue, Catch the Spriit was chosen by the 1986-87 year-book staff. We felt this to be an appropriate title as we hoped to catch the true blue spirit in sports, academics, activities and friends. The yearbook takes far more dedication and time then ever imaginable. Just ask advisor Mrs. Miriam Campbell and Editor Stacy Bauer about weekends spent working in room D-6. Mr. Brew knows of our dedication for he's found himself down here on weekends turning off the alarms set by unmentionable yearbook members crawling to the restrooms. Working together, this class has reached many goals, and it was certainly a true blue cougar experience.

Top right: Yearbook class at their best back row (L to R) Ralph Moslener, Marty Norris, Deamma Rodriguez, Joyce Baier, Mike Allen; Middle row, Mike McEnery, Barbara Hill, Lisa Bell, Wendy Neelans, Jill Weyhgandt, Shannan McWeeney, Doris Quinley, Barbara Stapleton; Front row, Stacy Bauer, Erika Baxter, Stacey Rumfalo, Caren Ahern, Andrea Thomas, Middle left, Peek-a, boo, Mrs. Campbell, Middle right: "Smile" says our yearbook sponsor Bottom left, Deanna Rodriguez and Wendy Neelans pretending to be hard at work Bottom right, Yearbook editors goofing around!

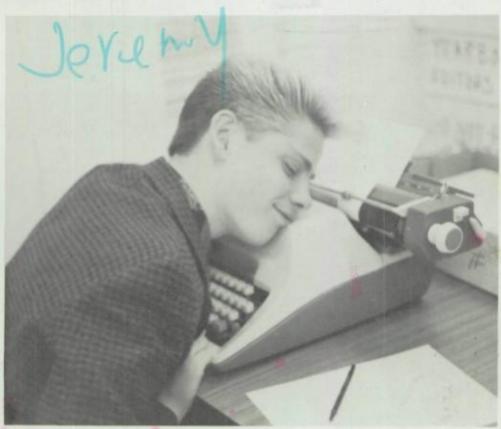

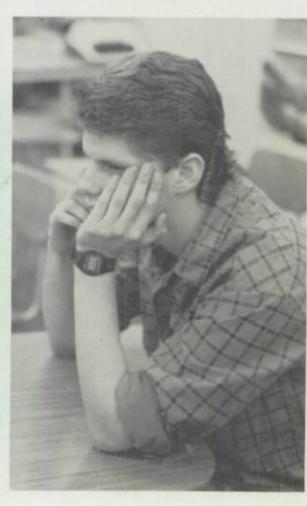

The Cougar Connection put much time and dedication into each and every article of the school newspaper. The newspaper is divided into various sections, some of which include sports, entertainment, editorials, and humor. Scott Schoenkopf, the editor-in-chief overlooked the production of all that was involved. The newspaper staff members write, edit, and proofread their stories. After being checked by the editor, it's typed and ready to go. The newspaper comes out once a month and is supervised by Mrs. Miriam Campbell.

Top left, Brian Schoeffler and Mrs. Campbell trade places for the day, middle left, Steve Liapis: Norco's very own GQ, middle right, Jeremy hard at work, bottom left; L to R, back row: Kristy Knece, Michelle Salgado, Kate Johnson, Maison Wooldridge, Mike Allen, Kevin Lavacot, Erin Fout, and Brian Schoeffler; middle row: Marlena Kishaba, Kim Miller, Kim Garcia, Shellie Bracken, Gina Finken, and Wendy Neelans, front row: Kim Planchunas, and Steve Liapis. bottom row: Newspaper Editor just after a deadline.

The 1986-87 Pep Squad, one of the best squads we have ever had, was always full of energy and spirit, no matter what. They put on great pep rallies, and helped out with the spirit ladder and other activities. The heads of the three squads are: varsity-Kelly Cozart; J.V.- Mary Matson; songleaders- Tina Figeira; and mascots- Shelly Bracken and Dana Dickinson. Head of heads is Kelly Cozart.

Top right: "Yeah, that's right."; top left: Georgia and Tina smile for the camera; center right, pep squad members, I-r, front row: Debbie Gunter, Shellie Bracken, Dana Dickenson, Kelly Cozart, Kim Scott; second row: Gail Matthews, Brenda Kroger, Tina Figeira, Georgia Shipman, Nika LaRue, Eirica Leach, Heidi Baier, third row: Georgie Pierce, Tobi Coop, Lisa Hampton, Aly Varvel, Easter Allen, top row: Lynette Booth, Kerisa Ganino, Rachel Odor, Tina Baker, Jennifer Bernett, Mary Matson, Kim Schlotzhower, Shawnee Bradford, Lisa Lugo; bottom left: "Whoops!"; bottom right: "Raise your hand if you're sure."

## HOMECOMING DANCE

On Saturday October 4, the first sign of our Aloha Homecoming emerged in our festive crowd of Hawaiians. Everyone had a blast dancing to their favorite songs. The highlight of the evening came with the crowning of our 1986 homecoming court. The success of the Aloha '86 dance sparked enthusiasm in the week to come.

## SENIOR EXPERIENCE

What exactly is the "Senior Experience"? Since no two people are exactly alike, and each individual senior has had experiences and emotions all of his/her own, to attempt a single definition for a concept as diverse as this would be an impossible task.

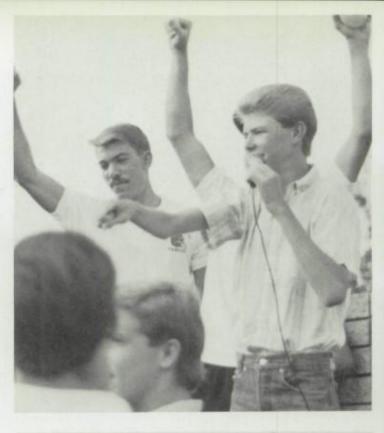

For most of us, the senior experience has been a fast-paced trip, yet at times a drawn-out and grueling trek. Not only were attending classes and receiving quality marks a high priority, but we also had to look to the future and prepare for the "smack-in-the-face" we were about to receive from Mr. Reality, himself. Many of us went through the rigors of taking last-minute SAT tests, AP exams, choosing a major, searching for, finding, and filling out college and scholarship applications, and then sending out those transcripts. Those with jobs, or looking for them, also had to stay on their toes. Fortunately, there were the much welcomed weekends, the only times a senior could relax a little. How about those longer weekends? Remember the Washington/Lincoln birthdays back-to-back? Remember the fantastic parties? The smaller impromptu get-togethers? "It was a rager, DUUUUUUUUDE!" How about those days at the beach, or skiing in the mountains, or even a trip down into Mexico with a few senior buds? All those experiences made our senior year bearable and even enjoyable.

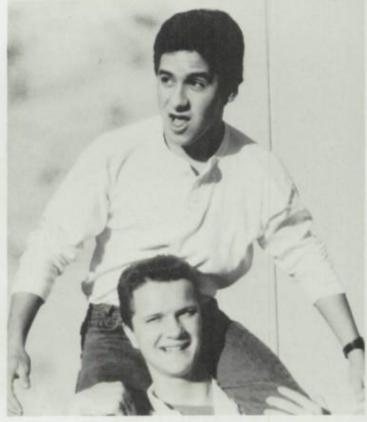

Being a senior also brought many privileges and extras not enjoyed by the underclassmen. After all, only a senior girl can be homecoming queen; only senior guys can be Mr. Valentine; only seniors can vote on or be a "senior personality"; and only seniors have their very own senior awards assembly, senior breakfast and gradnight at Disneyland.

Memories . . . remember filling out senior credits for the yearbook? Remember homecoming; the spirit week, the parades, the game, the dance? Remember all the wild and crazy times mingled with the day-to-day slogging through classes? Remember those special teachers who made it all come alive for you? You never thought you would actually enjoy that class!

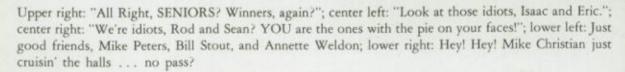

No, we will never forget our senior experience, though interpreted differently by each one of us. The good times, the bad times, the boring times will forever be a part of us. Each will remember and treasure those memories of the class of '87. Long may our futures be bright and filled with Cougar BLUE PRIDE!!!

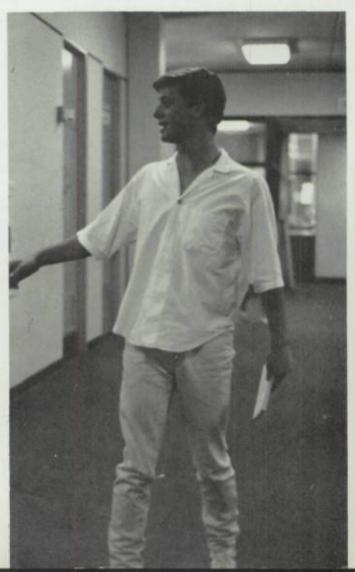

Dear fellow seniors,

We are now at a time when we can make our dreams into realities. We have used this year to discover ourselves and develop our lives so that we may succeed in the future . . . that great unknown future.

Don't be afraid- be brave. Don't be doubtful. Every person is special and all our hopes are very real. It's incredible to think of how long we have been together, and now suddenly, our paths are forking, the doors are opening, and we are starting to go our own ways. We have been very close this year; however, we are still individuals and unique. We have strived this year to be our very best. Welcome to your world; it is wonderful. It is an exciting time, and it is ours!

## SENIOR RETROSPECT

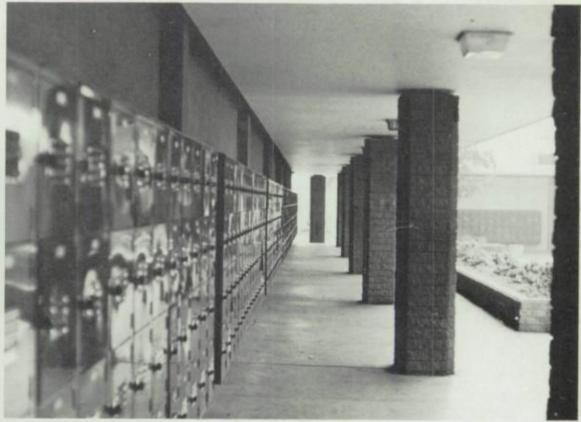

"Being a Senior means never having to say you are sorry."

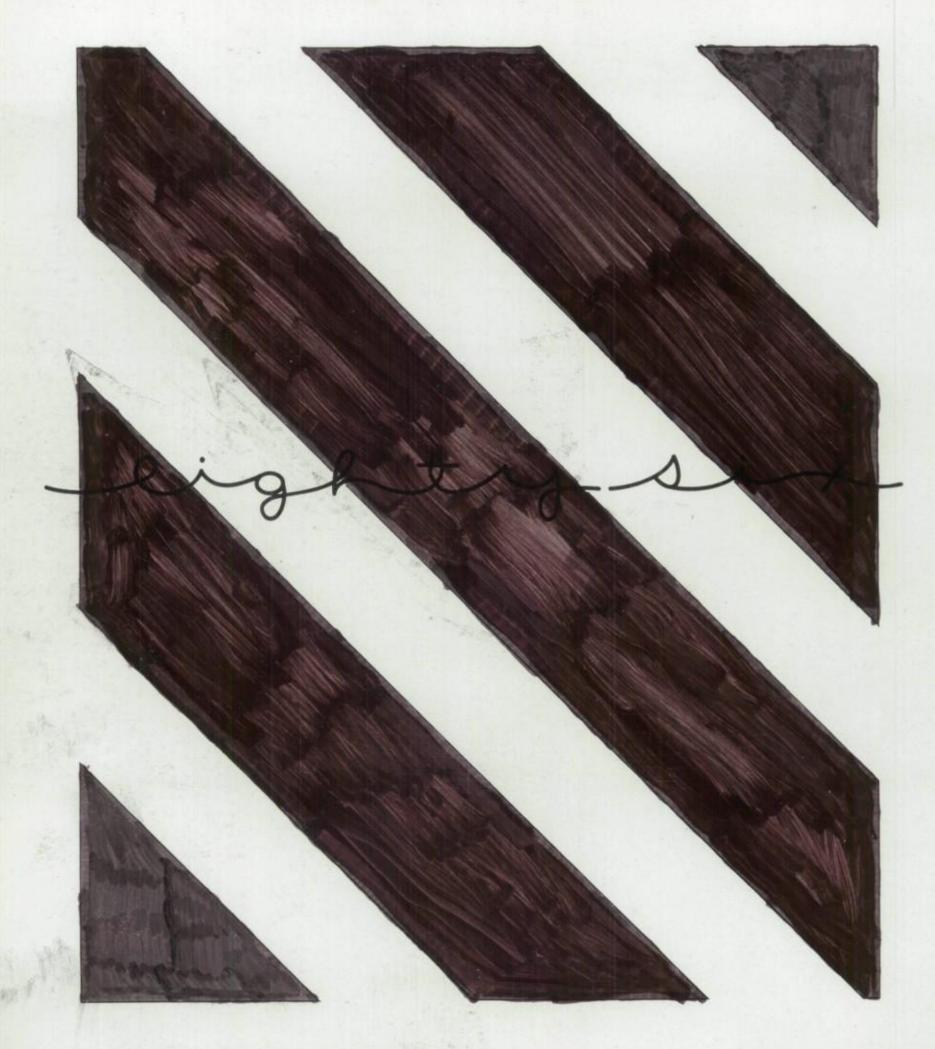

We don't have to bow to anyone, because we run the place. This attitude stems from arrogance and fear. The arrogance results in that we have put in over 12 years to reach this point of eliteness; and the fear comes from the fact that next year, we have to start at the bottom of a whole new game, the game of life. During this time of seniority, we live it up; we have to. It is an age-old tradition that even the teachers and administration indulge us in, with special privileges accredited to our seniority. You won't see Mr. Taylor lunching with a lower classman, or Mrs. Campbell favoring a sophomore with her yearbook camera, because these are senior privileges!

However, a cloud hangs over the senior class, a cloud that represents the end of an era. Some of us have gone to school with friends since elementary school; now we will be handed a diploma, and we won't see these people anymore. Close friends will stay together, but there are certain faces that one is accustomed to seeing every day, who won't be seen anymore. Many rituals will no longer be practiced, and customs will be forgotten.

Even though leaving may be sad, we have to keep in mind, that all our years of school have been in preparation for something bigger and better, LIFE. The friends we leave behind and the customs we will miss will be replaced ten-fold in life. Our best years are ahead of us. They will be filled with careers, family, and the joys of success. High school will always be a fond memory for most of us, but only a small part of life. We are the future. Let's make it even better!

## **FOOTBALL**

Norco's Varsity football team, traditional League champs, and CIF contenders, came into the 1986 season with a strong beginning, moving up from a 5th place rating to first place with four consecutive wins. Then, tragedy struck with several swift blows. Our quarterback, Chris Kruswicki, rated best in the county, suffered a separated shoulder injury in a game and was out for the season. Senior Val Lugo came up as a fill-in quarterback, but within two weeks, the varsity squad lost five starters to injuries. The Cougars fought to regroup, but were unable to overcome the losses, and consequently, finished the season without going to CIF this year. However, Coach Gary Campbell plans to build on this young team to present a serious threat of dominance once again next year. We will miss the seniors, especially Pat Harlow, top defensive lineman in the county.

## JUNIOR VARSITY

The Norco Junior Varsity football team is looking stronger this year than in several previous seasons. They look to be a serious threat for our varsity squad next year and in 1988. Coach Richard Hiestand, assisted by Coach Jim Christy, has seen this young team develop strongly. They had a good season, tried very hard, and deserve our support.

#### **BOYS TENNIS**

The 1987 boys tennis team was a young team, most of last year's team having graduated last June. Coach Richard Hiestand has worked with the new boys, training and grooming them for next year's competitions. Some of the new members are already showing especial promise for the future.

#### **GIRLS TENNIS**

Under the leadership of new coach Diane Turner, the 1986 girls tennis team found it to be a tough league we were competing in. With only two returning varsity players, we pulled out just two victories. However, this team had many close and caring friendships. With the top two girls returning next year, we will be looking forward to a winning season.

#### VOLLEYBALL

A strong returning team of senior girls led by Marcie Bozarth, Jennifer Ricks, Tina Vailancourt, and Marlys White took the Varsity Girls Volleyball team to the second round of C.I.F. Coached and encouraged by long-time coach Betty Wells, the girls dominated the season over some legendary established teams. Well done, Cougar Blue! Tina Vailincourt and Marlys White made all CIF.

#### X-COUNTRY GIRLS

The Norco High 1986 cross-country teams garnered laurels again this year as they challenged other Ivy League teams for the championships. The boys' team had an uneven season, but the girls kept the Norco tradition going; that of a tightly-knit group of dominating athletes dedicated to winning every possible race. Coached by Larry Nugent, and assisted by Tammy Nugent, the girls' team again took the Ivy League championship. Earning all-league honors were Persephone Lowery, Tina Sanchez, Jennie Higbee, and Tish Bennett. The Norco cross-country girls team took the CIF Championship for the first time this year. Earning All-CIF honors were two sophomores, Persephone Lowry and Tish Bennett. Congratulations 1986-7 Girls X-Country!

#### WRESTLING

Norco High wrestling continues to grow as a popular sport. The combination of agility and strength challenges our young men to train for peak condition as they go up against other tough teams in our matches. The varsity wrestlers, led by the terrible trio, the Curtin brothers, Lance, Chris, and Sean, dominated our league matches, and were an inspiration to the young JV team wrestlers. Coached by Mr. Kent Galloway and Mr. John Doerr; and assisted by Mr. Fairbanks, our Norco wrestlers brought honor to our school in 1987.

# VARSITY BASKETBALL BOYS

The Norco High boys basketball team went into the 1986-87 season after taking the consolation title in the annual Raincross Square tournament sponsored by the Press-Enterprise. Led by returning senior, Pat Harlow, and ably supported by Jeff Perry, David Cisneros, Robert Decker, Anthony Montiero, and Shawn Walsh, the Norco Cougars dominated the remainder of the tourney after an initial loss to Elsinore. Pat Harlow also made all-team on the Raincross Square squad. The boys varsity team is coached by Doug Fair and Tom Lubin.

#### BOYS BASKETBALL

The Norco Senior High's J.V. basketball team is coached by Mr. Doug Fair, and assisted by Mr. Charlie Mills. They bring the boys up through training, conditioning, and practice to be ready to move on to varsity next year. The team is young, but eager to learn, and has made a good showing this year.

#### GIRLS BASKETBALL

The NHS girls varsity basketball team came on like gangbusters this year. With returning seniors Marlys White, Jennifer Ricks, Mindy Tummler, and, the Norco girls dominated the season. Coached by Mr. Dave Reid, the Norco girls again made a name for themselves in our area.

#### **BOYS SOCCER**

The 1987 varsity boys soccer team fought hard against some tough teams, going into overtime more than once. Coached by Mr. Jack Landgraf, and assisted by Mr. Ron Briddick, the boys carried Norco's reputation throughout the Ivy League. Goalie, Jeff Marguet was an outstanding county goalie this year.

#### SOCCER

The 1987 Norco girls soccer teams were outstanding this year. The varsity girls were the first Norco soccer team (boy or girl) to go to C.I.F. Our teams are coached by Mr. Dennis Brandt; and the girls had the best season ever, dominating the league throughout the season.

#### VARSITY SOFTBALL

Girls Varsity softball, coached by Betty Wells, was a force to be reckoned with again this year. Seniors Jill and Joy Weyhgandt, Kristi Becker, Jennifer Ricks, and Mindy Tummler presented a United front against their opponents, while the juniors and sophomores on the team held their own against some tough Ivy League teams.

#### VARSITY BASEBALL

Boys varsity baseball brought out about two dozen players who made up a strong team built around returning seniors Mike Mulholland, Chris Kruswicki, Ari Kokozenski, Tim Clark, Val Lugo, and Jeff Montgomery. Coached by Gary Parcell, the team had a successful season, against such strong teams as North and Hemet.

The JV baseball and JV softball teams carried on the tradition of Cougar Blue Pride in their 1987 season. The boys team, coached by Jim Christy and Mike Darr, gave 100% in their league games, while the girls softball team, coached by Tiffany Gonzalez, was looking good all the way to the final game of the season.

#### **GIRLS SWIM**

The Norco High Girls Swim team this year was a smaller than usual squad. However, they showed their heart and determination in their dominant competition against much larger teams than they. Norco also lost several of their Riverside Aquatics Club members to graduation, and are building up a young team as a serious threat for next year. Way to go, Norco!

#### **BOYS SWIM**

Front row, 1-r: Oscar Burgos, Sean Curtin, Dennis Jones, Brian Krakower, Mike Ewer; back row: Chris Curtin, Kevin Russin, Scott Schweizer, Rudy Rios, Dan Kadera, Brian Hargrave. Not pictured: Jeb Brock, Dominic Boutte, Brian Eschrich, Lance Curtin, and Coach Glen Stevenson.

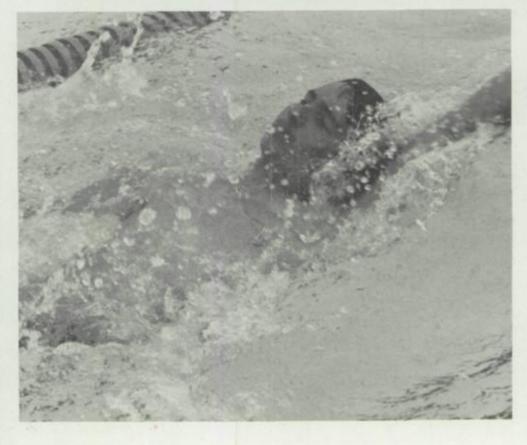

Norco High's Boys Swim team, led by the terrible trio, the Curtin brothers, Sean, Chris, and Lance had a successful season against some Ivy League giants. The team followed our Norco tradition of fighting blue Cougar spirit. Coached by Glen Stevenson, the boys dominated a number of events, and they look forward to another good season next year.

#### ALONE TOGETHER

The pre-holiday offering by the NHS Theatre Company/Drama Club and Thespian Troupe 3883 was well-received by the large audiences during their run from Dec. 9 - 13. Alone Together, a comedy dealing with the "returning to the nest" syndrome, and its associated complications, made for a truly enjoyable evening of levity, as the middle-aged, couple, the Butlers, tried to cope with the homing instinct of their three sons. The roles of the parents were played by Tony Masters, and Erinn Fout. Their sons were played by Kirk Scott, Brian Schoeffler, and Stan James. Missy Ringland, in her stage debut, was captivating as the worldly yet innocent impromptu house guest. This play was yet another triumph for drama coach, Ms. Laurel Goodhue.

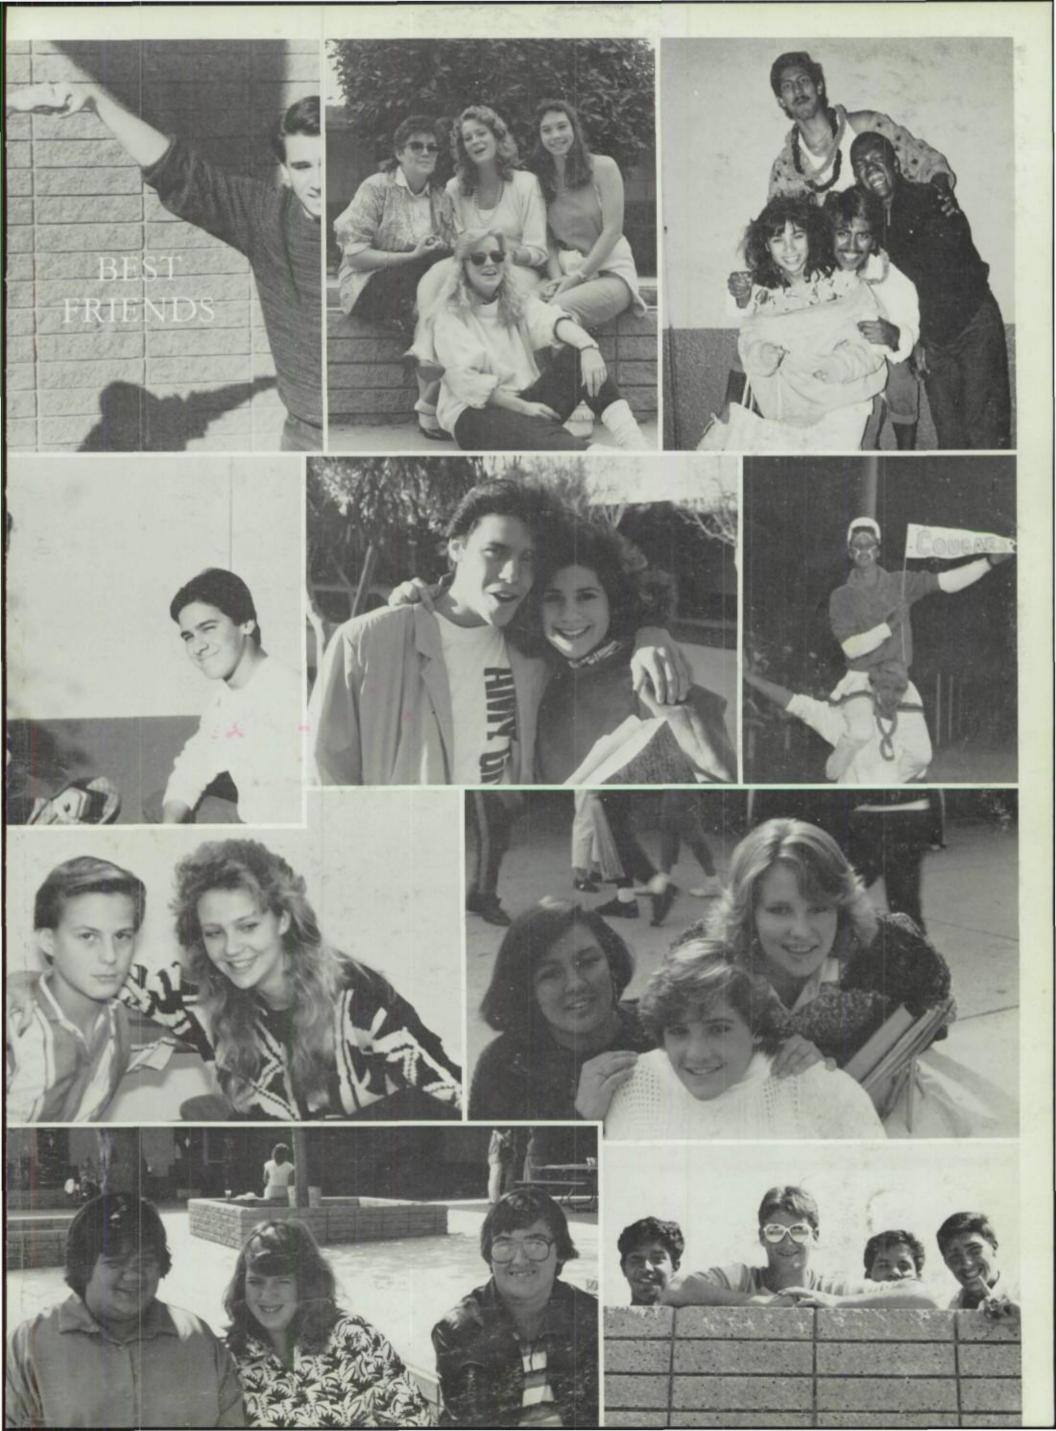

Opposite page; top right: Stan James as Keith Butler wonders if the college girls will be ready for his "California good looks"; center left: "Nah, I won't be needing all those books."; center right: Erinn Fout and Tony Masters congratulate each other on being "alone together" at last; lower left: the arrival of son #2, Brian Schoeffler as Elliot, interrupts the parents' planned romantic evening; bottom right: Kirk Scott as Michael, the MIT dropout genius keeps up with his karate. This page, top left: Elliott checks out the latest arrival at the old homestead, Missy Ringland as Janie Johnson; top right: cracking under the strain, Mrs. Butler lambasts her husband with his For Sale sign; center left: Mr. Butler promises his wife to tell the sons to leave; center right: Michael crumples under the pressure of being asked to leave; bottom: the family waits out the return of Mrs. Butler who has disappeared after the quarrel.

#### EDITORS NOTE

I would like to express my deepest thanks to all those who contributed to the NHS 1987 Spectrum. It was a great pleasure working with the outstanding members of the Spectrum staff, as we all had one common goal; to produce a book that captures the memories that will be treasured in our hearts, now and for many years to come.

There were many others who also contributed to the completion of the 87' Spectrum. Photo credits go to Mr. Harry Kinder of Elegant Photography, for his fine photos of Homecoming and other activities; to Yari Studios, for his sports photos; to Mr. Fairbanks, for many outstanding wrestling photos; and to Arabesque Photography, for the fantastic Christmas dance photos. Also, thanks to the students who brought in their extra sports and outside activities photos.

Hold Fast Your Dreams

Hold fast your dreams!
Within your heart
Keep one still, secret spot
Where dreams may go,
And, sheltered so,
May thrive and grow
Where doubt and fear are not.
O keep a place apart,
Within your heart,
For little dreams to go!

Think still of lovely things that are not true.

Let wish and magic work at will in you.

Be sometimes blind to sorrow. Make believe!

Forget the calm that lies
In disillusioned eyes.

Though we all know that we must die,

Yet you and I

May walk like gods and be

Even now at home in immortality.

We see so many ugly thingsDeceits and wrongs and quarrelings;
We know, alas! we know
How quickly fade
The color in the west,
The bloom upon the flower,
The bloom upon the breast
And youth's blind hour.
Yet keep within your heart
A place apart
Where little dreams may go,
May thrive and grow.
Hold fast-hold fast your dreams!

Be the Best of Whatever You Are

(We all dream of great deeds and high positions, away from the pettiness and humdrum of ordinary life. Yet success is not occupying a lofty place or doing conspicuous work; it is being the best that is in you. Rattling around in too big a job is worse than filling a small one to overflowing. Dream, aspire by all means; but do not ruin the life you must lead by dreaming pipe dreams of the one you would like to lead. Make the most of what you have and are. Perhaps your trivial, immediate task is your one sure way of proving your mettle. Do the thing near at hand, and great things will come to your hand to be done.)

If you can't be a pine on the top of the hill, Be a scrub in the valley-but be The best little scrub by the side of the rill; Be a bush if you can't be a tree.

If you can't be a bush be a bit of the grass, And some highway happier make; If you can't be a muskie then just be a bass-But the liveliest bass in the lake!

We can't all be captains, we've got to be crew, There's something for all of us here, There's big work to do, and there's lesser to do, And the task you must do is the near.

If you can't be a highway then just be a trail,
If you can't be the sun be a star;
It isn't by size that you win or you failBe the best of whatever you are!
